

Family Matters NSW Week of Action Sponsorship Form

Family Matters: Strong Communities. Strong Culture. Stronger Children is Australia's national campaign to ensure Aboriginal and Torres Strait Islander children and young people grow up safe and cared for in family, community and culture. Family Matters aims to eliminate the overrepresentation of Aboriginal and Torres Strait Islander children in out-of-home care by 2040. This ongoing over-representation has been described as "one of the most pressing human rights challenges" facing our nation.

AbSec is pleased to be able to offer small sponsorships to community organisations in NSW hoping to host a community event during the Family Matters 2018 National Week of Action (14-20 May). This sponsorship could be used to cater a community morning tea to raise awareness of this challenge, or to promote the Building Blocks for change or the NSW Family Matters Sector-Led Priorities in your community, or to support a community screening of the documentary film, *After the Apology*.

Sponsorships are valued up to \$500. The number and value of individual sponsorships varies depending on our resources and the proposed event, and is at the discretion of AbSec. The first step is to fill out this form, letting us know about who you are and the event you would like to host in your community to raise awareness of the Family Matters campaign.
